2020

## 2020 Updates to the Mount Joy Township Trash & Recycling Program

Mount Joy Township will be in a new trash hauler contract with the new year. The low bidder for the three-year contract that starts in 2020 is Penn Waste, who is our current hauler. Our existing routes and pickup days will remain as-is. Recycling bins and leaf/woody yard waste bags are still free for Township residents, and tag prices will remain the same. However, there are several changes that will become effective starting January 1, 2020:

- The annual service fee for trash and recycling services will now be \$280, billed semi-annually. This has increased from \$220/year due to rising hauling and disposal costs. Additionally, we are now required to pay \$60/ton for the handling of recyclables. There was previously no charge assessed by the Lancaster County Solid Waste Management Authority, but recent changes in the recycling markets have dramatically affected this.
- The \$10 annual pre-pay discount is still in effect but will be available only on a calendar year basis, starting with the upcoming billing cycle. Senior discounts will be aligned with the calendar year pre-pay system as well.
- Zeager Brothers is no longer accepting leaves and yard waste at their facility. Our trash hauler will continue to collect these materials in kraft bags on the designated pickup days.

This summer, Kristina Kirchner joined the Mount Joy Township staff as Receptionist and Trash & Recycling Program Coordinator. We are happy to have her with us after the retirement of Vicki Carroll, who spent many years in that role. Congratulations to Vicki and welcome aboard, Kristina!

## Continuing Progress Through 2020

2019 was a robust year for road projects and improvements to your Township parks (see our parks article on page 3 for more). We began reconstruction, repair, and storm sewer work on Prospect Road and Trail Road South in 2018. Those roads were overlaid with final paving this summer, completing over 2 miles of long-awaited roadway improvements.

Bridges have been a hot topic in our community recently. The Mill Road bridge that we share with Conewago Township has been closed due to structural damage since summer 2018. Design of the replacement bridge is underway, and we hope to begin construction in the second half of 2020. The County-owned Cloverleaf Road bridge replacement is also being designed at this time.

This fall, Bear Creek Road and Country Squire Road get much-needed widening and base repair by our Public Works Department. On top of that, a heavily-traveled section of Beverly Road was widened and reconstructed this summer (the pictures show the reclamation process and the new base pavement). You'll see these roads get their final paving in 2020 after the Bear Creek Road/Spring Road intersection is realigned. Stauffer Road will be repaved next year by Public Works as well. You'll see over 3 miles of Township roads paved in 2020 after receiving critical repairs this year.

2020 will bring about more reconstruction and repair work. Quarry Road and Trail Road North get significant attention from our crews ahead of 2021 paving. The largest impact will be seen on Harvest Road, which will undergo widening and reconstruction next year. This is a major project that has been a long time coming. To see the upcoming projects and the 5-year improvement plan, visit the "Roads" page at [mtjoytp.org](http://mtjoytp.org).

## A WORD FROM THE RHEEMS FIRE DEPARTMENT

The members of the Rheems Fire Department are working on the final details of the 100<sup>th</sup> Centennial Celebration to be held on May 16, 2020 at 3:00 PM. The days events will include food trucks, live music, fireworks, and our station and apparatus on display. The community is encouraged and invited to celebrate 100 years of serving the Rheems village along with surrounding areas. If you have any history, photos or stories to share, please contact us at number listed below.

In addition, we are happy to share the following dates for 2019/2020 community events. Autumn Fest will be held Saturday, October 26, 2019 from 4-6pm. The Holiday Fun Fest will be held Friday, December 13, 2019 from 6-8pm and our Annual Easter Egg Hunt will be held April 4, 2019 from 10 am to 12 Noon. We continue to hold Community Blood Drives along with Central Pennsylvania Blood Bank, so keep an eye on our website or Facebook page for future dates and times. You can find out more information about these events on our website at [www.rheemsfire.com](http://www.rheemsfire.com) or you can locate us on Facebook.

The Rheems Fire Department is in the Village of Rheems in West Donegal Township, Northwestern Lancaster County. The Rheems Fire Department is 100% volunteer in every capacity.

Mount Joy Township no longer accepts CFL bulbs.  
J.B. Hostetter & Sons, Home Depot, and Lowe's  
accept them for disposal.

# Play Ball!

Old Trolley Line Park on Beverly Road is shaping up nicely. After months of grooming and TLC, the Township's newest public park is becoming a baseball hotspot. We're proud to provide more recreational space for local youth and the community in general to use. If you're looking to access the Conewago Recreational Trail, please use the safe and convenient trailhead parking at Old Trolley Line Park instead of the dangerous lot on Hershey Road.

Our Public Works Department will continue their maintenance and improvement projects at Wolgemuth Park and Cove Outlook Park throughout the winter. The Township Parks and Recreation Board (meetings held on the 2nd Tuesday of each month) will be developing a multi-year improvement plan this winter, and your input is wanted! Contact us or attend an upcoming Park & Rec Board meeting to get involved.

# **NO PLASTIC BAGS IN YOUR RECYCLE BIN!**

**Please do not bag your recyclables!  
Do not place plastic bags in your recycle bin!**

When you place plastic bags in your recycle bin, they can get wrapped around our sorting equipment, then Penn Waste team members at our recycle center have to climb into the machinery and cut off the plastic bags. Plastic bags should **never** be placed in your curbside recycling bin for this reason.

**Always place your recyclables directly in your recycling container.**

To recycle plastic bags, please visit [www.Earth911.com](http://www.Earth911.com) for a list of drop off locations.

## Northwest EMS Ambulance Funding

Northwest EMS thanks local residents for their generous donations to purchase an ambulance to replace one with high mileage and maintenance costs. The company also thanks the Mount Joy Township supervisors for pledging to increase donations to Northwest EMS over the next three annual budgets.

Some small, all-volunteer ambulance services in Pennsylvania are shutting their doors or offering less than 24-hour coverage. Northwest EMS also is feeling the financial crunch of low insurance and Medicare reimbursement, but it continues to serve residents thanks to donations, government grants, and its annual subscription drive.

You will soon receive a mailing from Northwest EMS for the annual subscription drive. Besides helping this non-profit company, our subscribers receive a discount if they need to use our ambulance service.

An emergency ambulance response costs more than \$1,000, so your savings as a subscriber can be significant. If an insurance company applies the ambulance bill to your deductible and does not reimburse Northwest EMS, the bill will be discounted 50 percent. Therefore, a \$1,000 bill becomes \$500.

This discount is available with a subscription payment of \$75 for a family, \$65 for a couple, or \$50 for a single person. See the mailer for full details.

Besides emergency medical care, Northwest EMS provides community services like CPR, Stop the Bleed, First Aid classes, Junior Academy for high school students, school visits, presentations to service clubs, and more.

If you have not received a subscription form by December 15, please call 361-8220, ext. 4, and ask for one.

## Local Volunteer Fire Departments Need Your Support

Mount Joy Township is served by four volunteer fire departments: Elizabethtown, Mastersonville, Mount Joy, and Rheems. Fire protection is an essential public safety service for our community. The volunteers that perform these duties need your support. A great way to get involved is to become a volunteer in some capacity with your local department.

The other way is through financial support. Mount Joy Township currently employs a 0.4-mill Fire Protection Tax as part of your annual Real Estate Tax bill. This generates over \$340,000 of revenue for the operating and capital reserve contributions to the four fire departments. But this isn't enough. Seriously consider what these volunteers provide to you and your families when you receive the annual fund drive mailers and see fundraisers for the Elizabethtown, Mastersonville, Mount Joy, and Rheems fire departments.
